COMMUNITY DEVELOPMENT CORPORATION

THE HUB

The Hub is a result of the renovation of the former Farragut Branch Elementary School. It is now a community resource center that provides services to the northern corridor of St. Louis City. The Hub offers a safe space for residents in the Jeff VanderLou, The Ville, and Greater Ville neighborhoods to connect with needed resources to aid in the stabilization and healthy development of families.

CENTER BENEFITS:

- Connects residents to needed social service resources & healthcare
- Builds a network of caring citizens who invest in their neighborhoods
- Creates job opportunities for residents
- Provides accessible, affordable space for local entrepreneurs to start up and grow
- Affordable leasing and meeting space
- Youth Tech Space

WALKER SCOTTISH RITE CLINIC OF MARYVILLE UNIVERSITY

The Walker Scottish Rite Clinic, a program of Maryville University, offers free speech-language therapy to children ages 2–6 with speech and language disorders.

The Clinic's KidTalk Outreach program at The Hub serves children both in person and through online sessions. Trained speech-language pathologists evaluate and treat children who have trouble speaking or understanding language.

SERVICES INCLUDE:

- Speech and language screenings and evaluations
- Weekly speech-language therapy
- Hearing checks
- Caregiver training—all provided at no cost to enrolled families.

The Clinic's goal is to support at-risk preschool children who may not qualify for state-funded programs or are unable to afford private therapy.

WARNING

THE TABERNACLE

The Tabernacle is a thriving faith community in North St. Louis. It's mission is to live out the tenets of faith through radical acts of love. The Tabernacle believes in building communities by building people.

That's why time and energy is invested in The Hub, gathering partners to help create an environment where people in the community can gain positive momentum for their lives through vital community resources.

The church family has grown beyond what the previous building can hold, so the church is excited to offer Sunday Services at the auditorium in The Hub.

Sunday Service: 10:30 AM, The Hub auditorium

Be on the lookout for outreach events throughout the week on social media and sign up for the email newsletter- https://www.thetab-stl.org!

Join us in person for Sunday service or join us online through our virtual experience - https://www.youtube.com/@TheTabernacleStLouis.

PIANOS FOR PEOPLE

Pianos for People inspires successful futures by providing free access to the transformational power of the piano. For families and individuals with limited resources, financial barriers are broken down and the piano is leveraged as a gateway to empowerment, community and self-esteem.

In an environment of support, inclusiveness and equality, Pianos for People does this in four ways:

- **Inspiration:** Free Pianos
- **Education:** Free Lessons and Workshops
- **Community:** Free Special Events
- **Enrichment:** Free Summer Music Camps

Program participants learn about more than just music through Pianos for People. This program provides a much-needed outlet for creative minds, while introducing important life skills related to discipline and collaboration.

This program gives kids and young adults the opportunity to explore music as a hobby or as a potential career.

MERCY HEALTHCARE

PRIMARY CARE FOR YOUR WHOLE FAMILY

You may not think about your primary care physician (PCP) until you get sick—but the Mercy Care Team is here to change that. Mercy's primary care clinic in North St. Louis City is more than just a doctor's office. The specially trained staff is on-site, along with community health workers who build partnerships with schools, churches, food pantries, and other organizations both within and beyond the Hub.

The team is also connected to medical specialists, as well as a full range of lab and imaging services, ensuring each patient receives comprehensive care when they need it most.

FAMILY HEALTH SERVICES AT MERCY

Mercy believes compassionate care starts with trust—built over time between you and your physician. The family doctors are experienced in preventive care, including routine checkups and immunizations for patients of all ages.

Mercy also treats chronic conditions, such as diabetes, as well as acute illnesses like fever, colds, coughs, and STI/STD concerns.

The services include:

- Pediatric Care – For children ages five and older, treating a wide range of conditions
- Arthritis Care – Diagnosis and pain management
- Diabetes Care – Comprehensive treatment with a whole-body approach
- Acute Care – Treatment for short-term illnesses and injuries
- Care Coordination – Referrals and collaboration with medical specialists

Mercy

WELL-BEING SERVICE AT MERCY

- Preventive Wellness Visits – Well adult, well woman, and well child exams
- Health Screenings & Physicals – Essential for early detection and prevention
- Immunizations & Vaccinations – Protecting against illnesses like seasonal flu

Evening and same-day appointments are available for your convenience. Staying healthy between visits is just as important, which is why education is prioritized —answering questions and empowering patients to take an active role in their health.
